

## Special Session A

### Investing in Renewable Energy

Born in 1962. Thomas Krupke completed a professional training with Sparkasse Bonn before studying law at the Universities of Bonn and Munich.

Thomas Krupke started his professional career with *Paul Berwein Wertpapierhandels- und Börsenmakler AG*. He then pursued professional commitments with nationally and internationally renowned financing and consulting companies before joining SOLON in 2002. SOLON is the leading European producer of photovoltaic modules and systems for large solar power plants. SOLON's Erlasee power plant in Franken/Bavaria is the biggest worldwide. Its electricity output would cover the annual demand of a small town with 9,000 inhabitants. After two years of serving as the company's Chief Financial Officer, Thomas Krupke was appointed Chief Executive Officer in 2006.

He also serves as a member of the Supervisory Boards of SOLON Laboratories AG, *ENRO AG* and *ENRO Geothermie AG*.
